The image displays four sequential smartphone screens from the iiconcontact app, illustrating the user flow for creating a contact profile and entering a chat.

- Screen 1: Where** - Features a location input field containing "St James's Square, St. James's, London SW1Y, UK" and a map view below it. An optional text field is at the bottom.
- Screen 2: When** - Features date and time pickers. The date is set to 06/06/2017 and the time to 20:00. An optional text field is below the pickers.
- Screen 3: Who** - Features a height selection interface with three icons representing different heights. A "Don't know" button is at the bottom.
- Screen 4: Messenger** - Shows a chat interface with a keyboard at the bottom. The chat history includes messages from "You" and "Me" with timestamps.

Arrows indicate the flow from the first three screens to the messenger screen.
